

WINE

We have a primarily Old World-focused wine and beer list; no cocktails. We also offer an optional \$75 wine pairing. Effective February 1, the pairing will be \$85.

DINNER

We serve a leisurely tasting dinner for \$150 per person. It's a set meal consisting of a dozen or so dishes, many of which are seafood-based.

We can accommodate many, though not all, food restrictions.

A 20% pre-tax service fee will be applied to the final bill; no tipping necessary.
