OURFAMILYSTORY

Latham House is our celebration of American food and drink featuring a contemporary slant on tradition. Chef Dan, my husband, has created tasty meals for years inspired by his large family and gatherings of his childhood. I, however, do all the baking and running around the dining room. Emma, our beloved daughter, is learning all the ropes after her recent college graduation. Her pies and desserts are bad-ass.

Our original US Navy Ship's Bell was given to Grandpa JC Latham for his many years of service. "Bell" has resided over 150 years in Dan's Upstate NY home township, Bath. The last 10+ years, she was prominently displayed on our home's porch in The Heights. Check out "Bell" at the bar. Welcome to Latham House. Enjoy your food and drink.
