

We continue with our preset dinners, celebrating the bounty of Pennsylvania produce. The menu changes every week and is inspired by the season, the best product available, and our pantry.

Dinners are \$75.00 per person.

In addition to a wine list with some beer and cocktails, we offer wine pairings with each dinner (costs vary). BYOB is also welcome. The corkage fee is \$25 per 750ml bottle and is limited to wine only.

The maximum party size we can accommodate is six.
