Fondillón

Fondillón is a special wine made exclusively in Alicante, Spain, from 100% monastrell grapes. The wines are unique because it is one of the only wines in the world able to achieve the alcohol content of fortified wines (such as Madeira or Sherry) naturally through fermentation, without ever being fortified. Fondillón must be aged for a minimum of 10 years in oak barrels, however the selection below are two exceptional vintages we loved from, one over 70 years old.
